Lot 3 Sturt Highway, Cullulleraine, VIC 3496

Millewa Vineyard, located in the Sunraysia district of Victoria has been bought by *Fresh Country Farms Australia* for **\$16 million**, which is an entity owned by the Public Sector Pension Investment Board (Canadian Pension Fund).

The 519 hectare property with 370 hectares of vines on it was heavily restored by the vendor *Bright Light Pipeline Pty Ltd* after it was bought for \$232,000 back in 2011. Through extensive investment, the vines were restored to full capacity. The new owner has reportedly entered into a long term lease with a prominent Australian wine company. The deal reflects a **rate of \$30,829 per hectare**. Cullulleraine is located 503 km North-West of Melbourne.

10 Martin Road, Badgerys Creek, NSW 2555

A Sydney buyer has bought a 2.03 ha rural site for **\$5.75 million**. The site is located opposite Mirvac's "Elizabeth Enterprise" and within 1 km of Sydney's second airport, which has now commenced construction. The property sold on a **rate of \$283 psm of land area**. Badgerys Creek is located 51 km west of the Sydney CBD.

Hotels and Leisure

40 Beach Rd, Auckland, 1010, New Zealand

The tourism boom in New Zealand has seen Malaysian conglomerate *Mulpha* buy the Waldorf Stadium Apartment Hotel for **\$NZ65 million (\$AUD59)** making it the largest commercial transaction in Auckland over the last twelve years. With the hotel market in Auckland not being very liquid *Mulpha* snapped up the 178-

unit strata title development on a **6.99% yield**. The Waldorf was sold with a new 11 year lease with Japanese serviced apartment firm **Daiwa House Group**. The deal reflects a **rate of \$AUD331,461 per unit**. The property is located within the Auckland CBD.

Specialised Properties

2 Spry Street, Coburg North, VIC 3058

Moreland City Council has picked up a 4,364 sqm site for **\$3.9 million**. Whilst originally pitched as a residential townhouse development site, the council will purpose the site towards public open space. The development will complement the 178 metre frontage to Merri Creek which already has a public walking trail along the creek. It is possible that the steep pitch of the site down to the riverbank and associated rules surrounding developing next to a waterway presented too great a risk to developers; the site sold well below the 'indicative range' of \$3.8 million to \$4.18 million. As a rate, this property sold **for \$894 psm land area**. Coburg North is located 11 km north of Melbourne's CBD.

59 Painted Hills Road, Doreen, VIC 3754

A mixed use property that includes a childcare centre, seven retail shops and 66 undercover parking spots has sold on a tight **5.8% yield for \$15 million** in a growth area of Melbourne. Despite concerns of an oversupply of childcare centres in the market, the property was snapped up by Singapore investor in conjunction with a local partner after the development of the centre in early 2018. The childcare centre on the property is licensed for 132 places and is operated by **Guardian Childcare**. The 2,780 sqm property generates \$871,324 of net rent annually and is fully leased with fixed annual rental growth. It sold at a **rate of \$5,396 psm of gross lettable area and \$113,636 per placement** inclusive of the retail area. Doreen is located 37 km north of Melbourne's CBD.

(AFR 17.10.18)

54, 56 and 58 Thompsons Street, Bulleen, VIC 3105

A private developer has bought three residential lots in Melbourne's east as a development site for **\$3.25 million**. The new owner who was represented by *Mollard Investments* plans to build a childcare centre on the 1,931 sqm site. The attraction of the site was the sites proximity to the Westfield Doncaster. The deal was struck at a **rate of \$1683 psm of site area**. Bulleen is located 13 km north-east of the Melbourne CBD.

(AFR 18.10.18)

14-18 Venture Way, Braeside, VIC 3195

A private land owner has sold an infill block for **\$1.64 million**. The 3,339 sqm vacant land is surrounded by industrial development and was bought by a local business as it looks to expand its enterprise. It is not understood what purpose the land specifically will be used for, although it was bought at a **rate of \$484 psm of site area**. Braeside is located 26 km south-east of the Melbourne CBD.

(AFR 18.10.18)

24 Thompson Street, Abbotsford, VIC 3067

The old Carlton Brewhouse has sold for **\$10 million** to a locally based Asian investor. Melbourne developer Joseph Chahin's *Peregrine Projects* bought the 1,035 sqm brew house and a neighbouring 2,500 sqm carpark for \$10.5 million back in May 2016. Chahin has now sold both assets individually for a combined \$17 million, representing a capital gain of 66% in over two years. The brew house which sits on 2,291 sqm of land is currently leased to **Carlton United Brewery** until December 2019 for \$363,000 per annum and the lease will not be renewed. The site offers enormous development upside in an historical industrial area, which has been gentrified in recent years due to the development of apartments in the area. The property was sold on a **rate of \$4,365 psm of site area**. Abbotsford is located 4.5 km east of the Melbourne CBD.

Property Funds and Capital Raisings

Redcape Hotel Group

The *Moelis* managed hotel group has added three pubs to its regional NSW pub portfolio before the fund is expected to float with a \$1 billion portfolio value. Private consortium *Denfish Hotels* sold the three Wollongong pubs for **\$50 million**. If Redcape does float it will make it the second largest listed pub portfolio behind the ALE Group in terms of value. It was reported that the fund expected to seek a **capital raise of \$150 million**. The acquisition of the three pubs increases their weighting in the NSW market to 83% of the portfolio.

(AFR 17.10.18)

Charter Hall Long WALE REIT

The Charter Hall fund has further invested into the office and industrial space in Perth and Sydney, which is currently worth **\$117.8 million** combined. **UBS** have a \$60 million placement underwritten for the investment. The purchases align with the funds mandate to hold the assets with a long term WALE in the commercial property sector. The two deals are the latest ones by the fund as it recently sold 50% of its stake in Adelaide's ATO building for \$135 million. The trust is buying half the stake in

the *Optima Centre* in Perth for \$62.6 million, representing a **yield of 7.1%** for the two A grade properties in Perth's CBD. The major tenant of the property is the Western Australian government whose lease expires in 13.7 years. In Sydney the fund has taken a 100% stake in the *National Archives Building* at Chester Hill from a private investor for \$54.1 million. The Federal Government has 20 years remaining on the lease term as the deal represents a **yield of 6.6%**.
