Greg Rowe has extensive experience spanning some 28 years in real estate valuation, plant and machinery, asset management and strategic consultancy.

With a history across a plethora of high profile property and development projects, Greg's experience covers all classes of real estate including:- commercial office, industrial (manufacture and office warehouse); retail shops and shopping centres; hotel and leisure property (business and resort accommodation hotels, pubs and motels) and plant & machinery. Greg has also acted for clients in relation to major infrastructure asset classes.

Greg provides services to clients where properties are existing assets, or alternatively future development projects. Examples of projects and assignments that he has been involved with are provided later herein.

In summary, Greg specialises in:-

- Mortgage valuation for commercial, retail, industrial, special purpose, investment and development valuation;
- Valuation of real estate, plant & machinery;
- Asset management;
- Strategic consultancy;
- Property services business management and development asset and property management advisory;
- Investment and corporate real estate advisory; and
- Financial management and strategic direction.

Expertise – Business, Corporate and Governance

Greg Rowe joined Preston Rowe Paterson in 1991, since then the advisory business has significantly grown from one office to fifteen offices nationwide with links globally. Greg is actively involved with the Australian Property Institute and other professional bodies relevant to training and development of professional standards within the property industry.

Through his 28 years' experience in the property industry, Greg has developed comprehensive business, corporate and governance skills which are demonstrated in his role as Director at Preston Rowe Paterson.

Employment Chronology

1991-Present - Preston Rowe Paterson NSW Pty Limited

Activities –Director – Special Purpose Property, Asset, Plant and Machinery Valuation

Greg Rowe is a Director of Preston Rowe Paterson NSW Pty Limited and is actively involved in the firm's special purpose property, asset, plant and machinery division. Greg provides valuation advice to the firm's clients in the areas of commercial, retail, industrial, residential and special purpose property, asset, plant, machinery and equipment. Greg provides valuation and consultancy services to a broad spectrum of clients such as government agencies, large corporations, small enterprises and private individuals. Greg has valued a number of significant Australian residences including many harbour front and substantial properties; these include The Lodge in Canberra and Kirribilli House on behalf of the Department of the Prime Minister.

Whilst continuing to complete valuation assignments, Greg also specialises in the valuation of special purpose properties including extractive industries, waste recycling, landfills, rural holdings and other unusual or special purpose properties and/or assets.

As Director, Greg is also responsible for overseeing the day to day operations of the company including personnel, operations and finance, and is assisted by the Business Manager. In addition, Greg administers the marketing of his division, in sync with the overall marketing strategy for Preston Rowe Paterson NSW Pty Limited, and the training and development of staff.

1986-1991 – Colliers International Property Consultants (Sydney)

Activities – Valuation, Consultancy and Investment Agency

From 1986 to 1991 Greg was employed by Colliers International Property Consultants Pty Limited in the Valuation and Investment divisions. Valuation experience extended to CBD office buildings, hotels, commercial and industrial investments, owner occupied properties, retail centres, specialised properties and feasibility analysis of projects.

During 1988 and 1989, Greg Rowe was involved on a full time basis in the sale and lease back of Commonwealth Bank properties; approximately 150 properties were inspected, marketed and all were sold. Outside of his responsibilities with portfolio auctions Greg marketed investment properties within the institutional and private investor markets. Greg has gained experience in the Sydney CBD, North Sydney CBD and Metropolitan areas.

During this period, Greg obtained considerable experience in computerised spreadsheet modelling, including Discounted Cash Flow analysis and development feasibilities.
